

REMARKS

Applicant's representative submits herewith an amended Response to Restriction Requirement, which meets the requirements of 37 CFR 1.121. Applicant's representative has deleted the paragraph referencing the cancellation of claims 7-11. As there are now no amendments to any of the claims, a listing of all the claims is not required.

Applicant's representative believes the application is now in order for examination.

Respectfully submitted,
Frederick R. Peterson
Olympic Patent Works PLLC

A handwritten signature in black ink, appearing to read 'Patrick R. Turner', is written over a horizontal line.
